

BRIEF NOTE OF THE COMMITTEE ON INNOVATIVE PRACTICES

Indra Academy Higher Secondary School always looks for the better growth of a students and we implement all source of technology in our school. No teacher is allowed to take the classes without computer. As part of this programme we have installed variety of programme in the class rooms for facilitating the teaching and learning methods of the students as well as for the teachers just to improve the learning and communicative skill in English, teachers have implemented a special programme called Flash card. Daily practice on new vocabulary. There are number of teachers to take initiative for implementing this programme and flash card programme is really useful for the students to improve their vocabulary.

Indra Academy Higher Secondary School is committed to provide the most joyful,creative, exploratory and vibrant school experience & environment for its learners. Hence

1-At **Indra Academy Higher Secondary School**, we do not assign any homework to the students upto class 2nd .

2- From classes 3rd to 8th ,homework is assigned for only 2 subject per day alternatively.

3- From classes 9th to 10th ,homework is assigned for only 3 subject per day alternatively.

4- not more than 2 class tests are conducted in a single day.

5- to reduce the load of the school bag , book load is prepared and given to the parents with a request to send only books mentioned in the book load for different days.

ACHIEVEMENTS IN SPORTS FIELD

Sports competitions inculcate the spirit of positive challenges & sportsmanship among the students and prepare them for the life ahead. Sports , Games and Physical fitness occupy a place of importance in our curriculum. The students are actively involved in Taekwondo, Yoga, volleyball, Badminton, Basketball, Kho-Kho , Table- tennis and Kabaddi.

Our students got prizes and medals along with certificates in Khel Mahakumbh and CBSE Games (cluster level).

Activities and Achievements in the field of arts education:-

Art education has its roots in drawing , which , with reading , writing, singing and playing an instrument comprised the basic school curriculum

Art is more than creative expression, which has been the dominant theme of art education.

In the year 2019 our school have lot of participants in the field of arts and education . Poster making competition, Rangoli making, Bulletin board decoration, Mehndi competition, Diya making and Flower making.

Our students got prizes along with certificates in these events.

Co-scholastic and extra-curricular activities

Our school plays a significant role in development of students.

Co-scholastic education is an integral part of the school curricular programme complementing the formal education and contributing to the holistic development of the students.

At present in our school we are teaching various subjects at upper primary level thus facilitating the learning to get extended to really life situations.

In the field of extra -curricular activities we are meant to bring social skills , moral values , personality progress and character appeal in students. It includes athletics, cultural events, library activities, science lab activities, class room activities and meditation etc.
