# HARELA ACTIVITY

Students from grades **Nursery to UKG** at our school joyously celebrated **Green Day**, while students from classes **1 to 5** participated in a **plantation activity**. The young learners engaged in sowing seeds and observing seed germination for 10 days, deepening their understanding of the natural world. This activity not only celebrated the festivity of Harela but also instilled a love for nature and sustainable practices among the students. It was a fruitful and educational day where our students showcased their enthusiasm for environmental conservation and learning.

# STUDENT ELECTION COUNCIL

In a display of student empowerment and civic engagement, our school recently held its **annual school council election (2024-25)**, where students from grade 6<sup>th</sup> to 12<sup>th</sup> had the opportunity to exercise their **right to vote** for their chosen representatives. Throughout the day, the school buzzed with excitement as candidates campaigned and sought to earn the support of their peers through speeches, posters, and personal interactions. Each candidate presented their vision for the school and outlined the initiatives they hoped to implement if elected, ranging from ideas for student activities to proposals for improving school facilities.

# INVESTITURE CEREMONY

Our school recently held an **investiture ceremony** to appoint student leaders for the academic year 2024-25. The event was a platform to recognize and instill leadership qualities in our students. Through this ceremony, roles such as **head boy, head girl, vice head girl, vice head boy, sport's captain, house captains**, and other leadership positions were bestowed upon deserving students. The investiture ceremony was a moment of pride and honor for the school community as we witnessed the diligent young leaders take on their responsibilities with enthusiasm and dedication.

# SADBHAVNA RACE

In a demonstration of unity and sportsmanship, students from our school participated in the **Sadbhavna Race – “Run For Unity”** organized and hosted by **Evergreen School** in the occasion of **Kargil Vijay Diwas**. Here students covered a distance of **6 Kilometers** (from Lalkuan to Halduchaur). The event, aimed at fostering harmony and camaraderie among students from different educational institutions in various categories, brought together young athletes to celebrate the spirit of inclusivity and mutual respect.

# National Level Talent Search Competition -2024

In a proud display of creativity and skill, students from various classes at our school recently participated in a prestigious **National-Level Talent Search Competition (2024)** featuring activities such as **handwriting, drawing, painting, and more**. The event provided a platform for students to showcase their artistic abilities and unique talents on a larger stage, competing against participants from schools across the country.

# WORLD TIGER'S DAY

In a vibrant display of creativity and conservation awareness, students at our school came together to celebrate **World Tiger's Day** by participating in a **poster-making activity**. The event, organized by the school's **environmental club**, aimed to raise awareness about the crucial importance of tiger conservation and the preservation of their natural habitats.

# SAFAL ONLINE EXAMINATION- 2024

In a remarkable display of academic prowess, students from classes 5<sup>th</sup> and 8<sup>th</sup> of our school recently participated in the **SAFAL online examinations 2024**, conducted by **CBSE** covering various subjects (**Maths , English, Science, etc** ) spanning the curriculum. The examinations provided a platform for students to test their knowledge, critical thinking skills, and problem-solving abilities in a virtual setting, challenging them to demonstrate their understanding and proficiency across different academic disciplines

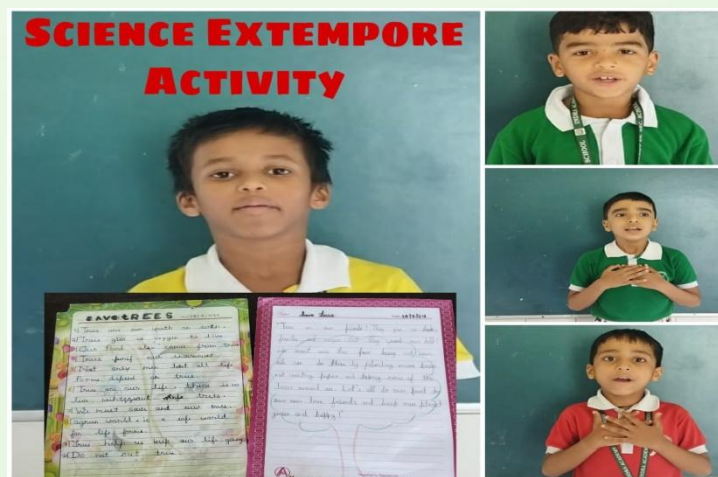

# CLASS ACTIVITIES

- नाट्य अभिनय – ROLE PLAY

Energizing the classroom environment with creativity and enthusiasm, students from **Class 4** recently engaged in a delightful **role-play activity** as part of their **revision** for the **chapter “Dost Ki Poshak”** in Hindi. The innovative educational initiative aimed to deepen the students' understanding of the chapter's themes, characters, and moral lessons while promoting interactive and experiential learning.

- Science Extempore

- "Exploring the Boiling Point of Water: A Hands-On Science Experiment"

Students from class 7<sup>th</sup> were engaged in a practical science activity to determine the boiling point of water. Using a thermometer and a heat source, they carefully observe and record the temperature at which water transitions from a liquid to a gas, enhancing their understanding of phase changes and the properties of water.
