TEACHERS' DAY CELEBRATION

In a heartwarming celebration of **Teachers' Day**, our school recently witnessed a mesmerizing display of talent by students from various grades. The event featured captivating **music performances, energetic dance routines, engaging skits, and mesmerizing speeches** dedicated to honoring whole teaching staff.

The students came together to pay tribute to their beloved teachers through their creative expressions. The skits presented by the students artfully highlighted the unique bond shared between teachers and students, evoking laughter and heartfelt emotions among the audience. The event served as a wonderful platform for students to showcase their talents and express their gratitude towards their mentors.

COUNSELING SESSION

Our school recently organized insightful counseling sessions tailored to the specific needs of students across different grade levels. The sessions aimed to educate and create awareness on crucial topics relevant to each age group.

UKG to 5th Grade: Students in this group participated in a session focused on understanding the concepts of 'good touch' and 'bad touch.' Through interactive discussions and age-appropriate activities, the children were sensitized to recognize and respond to different forms of physical interactions.

6th to 8th Grade: The counseling session for students in these grades delved into the realm of **cybercrime awareness**. With the proliferation of technology and online platforms, the session aimed to equip students with the knowledge and skills to navigate the digital world safely and responsibly.

9th to 12th Grade: Students in higher grades engaged in a session centered on the dangers of **drug abuse** and the importance of staying away from substance misuse. Through informative discussions and real-life examples, the students were educated on the detrimental effects of drug addiction and the significance of making informed choices.

HINDI WEEK CELEBRATION

Students at our school recently celebrated **Hindi Week** with a variety of activities showcasing their love for the language. The event saw students from **nursery to UKG** engaging in Hindi poem recitations, while students from classes **1st to 4th** participated in a **Hasya Kavi Sammelan**. Classes **5th and 6th** showcased their skills in **rhythmic recitation**, while students from classes **7th and 8th** impressed everyone with their **role-playing performances**. Lastly, classes **9th and 11th** displayed their creativity through **board decoration**. The event was a resounding success, highlighting the students' enthusiasm and talent for the Hindi language

CLASS ACTIVITY

• PUPPET MAKING & PRESENTATION

In an engaging and creative initiative, the students of Class 4th recently participated in a **puppet making and presentation activity**. The students showcased their artistic skills **by crafting unique puppets**, followed by captivating presentations using their imaginative creations. This hands-on activity not only enhanced the students' creativity but also provided them with an opportunity to hone their presentation skills. The event was a delightful mix of innovation and expression, showcasing the talents of the young learners in Class 4.

• KANDIL MAKING ACTIVITY

In a delightful and imaginative activity, students from **Class 2nd** at our school participated in a **Kandil making activity**. The young learners enthusiastically immersed themselves in the creative process, showcasing their artistic talents and innovative skills. Through this hands-on activity, the students explored their artistic sensibilities, honed their fine motor skills, and unleashed their creativity.

• LAB BASED EVALUATION

Our school students of class 12th recently delved into the intricate world of **physics** through a hands-on lab practical focused on **determining the resistance of a wire using a meter bridge**. Engaging in the experiment, students meticulously set up the apparatus, measured the resistances, and calculated the values with precision. This practical experience not only deepened their comprehension of electrical circuits and resistance but also honed their practical skills in a laboratory setting.

• STUDY BY DEMONSTRATING THE OSMOSIS PROCESS BY POTATO OSMOMETER

In a thrilling hands-on learning experience, students from Class 12th showcased their scientific acumen by conducting a biology practical on **demonstrating the osmosis process using a potato osmometer**. The practical session aimed to deepen the students' understanding of osmosis, a fundamental biological process, through a real-world experiment.

GANESH CHATURTHI CELEBRATION

"Ganesh Chaturthi Celebrations: Pre-Primary Wing Spreads Joy and Spirituality"

The **pre-primary students** of our school enthusiastically celebrated **Ganesh Chaturthi** with vibrant festivities. The young minds learned about the significance of **Lord Ganesha**, the remover of obstacles, through engaging stories, songs, and dances. The students created colorful **Ganesha idols** and **decorations**, showcasing their creativity. They also participated in a special puja, offering prayers and flowers to the elephant-headed deity.

DEWORMING TABLETS DISTRIBUTION

In a proactive initiative to ensure the well-being and health of our students, the school management recently distributed **Albendazole deworming tablets** to students from Grade 1st to 12th. Recognizing the importance of maintaining good health for optimal learning outcomes, this distribution aimed to combat parasitic infections that may impact students' overall health.

SUMMATIVE ASSESSMENT I

Amid a period of focused preparation and dedication, our school students gave the **half-yearly examinations** for the academic year **2024-25**. With determination and perseverance, students approached the assessments, showcasing their knowledge, understanding, and proficiency across various subjects. The examination process not only tested their academic acumen but also provided an opportunity for students to demonstrate their hard work and commitment to their studies.

Thank You
